

PAYMENT PLAN FAQ'S:

In order to provide more options for players to play baseball at Pine Hills Lightning Baseball Club, we have developed a payment plan option for all registration types.

The payment plan has been established to provide an option for all families wishing to pay their fees over a period of time. Key facts about this payment plan are provided below:

Q. Am I eligible?

A. Yes, if you wish to play in any Pine Hills team.

Q. Does the payment plan cost more than paying the fees upfront?

A. Yes, there is a cost associated with using the payment plan option.

Q. What is the cost of using the payment plan?

A. Providing all payments are made when due, the additional cost of the payment plan is a once off set up fee of \$20 & a \$2 billing fee per instalment (Choice of weekly, fortnightly or monthly instalments)

Q. Does PHLBC get the additional money?

A. Unfortunately, not! Pine Hills Lightning Baseball Club have signed up with debit success to administer the plan.

Q. Why has PHLBC set up this option?

A. We recognize that paying the full fees upfront can be difficult for some. As a club we want people to play baseball, and to support this we have developed a payment plan that balances the financial needs of the club and in turn help its players.

Q. Why is a third-party company managing the payment plan?

A. The committee members of the club are volunteers. We do not want to be in a position to chase individuals on payments; there are many other activities that need to be performed by the committee.

The third-party company specializes in administering payment plans like this one with a dedicated team providing this service. They have specific processes to gather payments either from your credit card or your bank account, and also follow up on missed payments.
